**AMENDMENT TO PETITION TO CONSTRUCT
TWO GRADE SEPARATION STRUCTURES**

Petitioner, the State of Illinois, Illinois Department of Transportation, hereby amends Paragraph 10 of its Petition to Construct Two Grade Separation Structures by deleting original Paragraph 10 and substituting, in its place, the following revised Paragraph 10:

10. Wiggins Ferry Company is the record fee holder to certain real property located in St. Clair County, the legal descriptions and associated plats of which are attached hereto and incorporated herein by reference as Exhibit 5. Wiggins Ferry Company leases this property to TRRA. This real property is located at or adjacent to the location of the two new grade

separation structures and access roadways in St. Clair County. The DOTs have deemed it necessary to construct the two new grade separation structures to continue the convenient flow of vehicular traffic and to ensure the safety of the motoring public. For said purposes, the Department needs to acquire permanent and temporary easements over said property and to perform work on said property in order to make improvements shown on plan sheets marked as Exhibit 3 and Exhibit 4.

Respectfully submitted,

ILLINOIS DEPARTMENT OF TRANSPORTATION
